

**NEW IMPROVED**

# AAB-SORBOIL

**EMULSIFIER  
SAPONIFIER**

**NON-TOXIC  
BIODEGRADABLE  
LEAVES NO RESIDUE**

● **FOR OVER A DECADE** ●

**Golf course superintendents have relied on AAB-SORBOIL, more than any other product, to treat hydraulic spills.**

When used as directed **AAB-SORBOIL** makes petroleum and vegetable oil products water soluble and keeps them in solution while quickly and safely removing them from any surface, including turf.

*(Works on all types of oil, except synthetic.)*

### **DIRECTIONS FOR TREATMENT OF OIL SPILLS ON TURF:**

It may be helpful to turn sprinkler system on immediately after spill to cool the turf down, before using the **AAB-SORBOIL**.

Dilute 1 part **AAB-SORBOIL** with 8 parts water, in a pump or garden sprayer. Spray mixture on spill, saturating thoroughly. Allow to stand 1 - 2 minutes, then flood the area using a slow steady flow of water.

**AVOID USING HIGH PRESSURE**

*(OPTIONAL)*

After watering in **AAB-SORBOIL**, the use of **BIO-AABSORB POWDER** is recommended to remediate the soil and help stimulate the regrowth of turf.

**AAB-SORBOIL MUST BE DILUTED WITH WATER**

**AAB-SORBOIL CONTAINS NO BUTYLS, PETROLEUM SOLVENTS OR PHOSPHATES.**
